DEBATE: What's so Great About Christianity?

Dinesh D'Souza
Christian

vs.

Dan Barker
Atheist

*How Much is Too Much for a Christian:
How do Christians Respond?*

*Why is the Christian family under
attack and how do you fight back?*

*How do you explain
right from wrong?*

The answers are here.

Be part of this exciting annual conference for students, parents, educators and pastors to gain answers and training on today's most pressing cultural topics, including a formal debate between two men of polar opposite belief systems: one a nationally-known Christian leader and author and the other a nationally-known atheist and author.

Don't miss this important conference that combines national Christian leaders and timely topics. The Biblical Worldview Institute is a "must attend" to equip Christians to fight successfully in today's cultural warfare and to learn to think biblically about the issues of our day.
