

Dear Parents,

If you are interested in purchasing a set of the books for your student or need to replace lost textbooks, you need to order them directly from the publishers. We have listed the titles, publishers and ISBN numbers for the textbooks per subject. If you wish to save some money, call the used bookseller first to see if they have the copies in stock. If you cannot obtain a copy through them, call the publisher directly. You need to have a credit card number ready for your purchase. The books can be sent directly to your home.

If you have questions: contact the Senior Director of Curriculum & Instruction, Gwen Hobbs
